

When travelling out count on 1 hour and 10 minutes from □  
Dallas. Once you get on to Meadow Creek Rd stay on the □  
main portion of the road. (Don't take any turnoffs) The □  
last .9 km is dirt road, good quality, ensure that you stay □  
straight and don't take any turns at intersections. Line 17 is □  
not well marked where it originates off Meadow Creek Rd it □  
just seems to continue on and you think that you are still on □  
Meadow Creek. When you see a sign for Ian and Lee □  
Bischoff you are very close. I am on the same side of the □  
street and that is my field behind their sign just continue on □  
that main road and you will see an entrance with a long □  
driveway and a sign with (5067) across the road from a □  
property owned by "The GIMBLES". See you all when you □  
get here.□
